Sr. Account Executive, Mid Market | Digital Advertising | SaaS | AI

Multiple-time MVP and top-performing Account Executive with 10+ years of experience across digital advertising, SaaS, and AI-driven solutions. Proven track record exceeding quota through strategic outbound prospecting, consultative selling, and data-driven customer growth strategies. Experienced managing complex sales cycles across SMB, mid-market, and growth-stage organizations by aligning business goals with measurable ROI and long-term partnership value.

WORK EXPERIENCE

Sr. Account Executive, Mid Market

Samsara

04/2024 - Present

- Top-performing AE, recognized as MVP with peak 279% quota attainment
- Consistently closed multiple \$100K–\$200K+ ACV deals by leading 6–12+ month, multi-threaded sales cycles
- Expert in AI-driven operational intelligence platforms, enabling customers to leverage real-time data, automation, and predictive insights
- Navigated complex buying groups across operations, IT, finance, legal, HR, Insurance, and executive leadership
- Led on-site executive workshops and business reviews to align GTM stakeholders and accelerate deal progression

Mid Market Account Executive

Soundhound AI

06/2023 - 03/2024

- Closed multiple \$100K+ ACV Voice AI SaaS deals across global accounts by leading long, complex, multi-threaded sales cycles across technical and business stakeholders
- Generated \$3M+ pipeline through strategic outbound prospecting
- Collaborated with internal teams such as channel, marketing, product, and customer success to ensure client satisfaction

Mid Market Client Partner

Yelp

04/2023 - 06/2023

- Managed full-cycle sales across new and existing accounts, driving \$125K+ ARR in first quarter
- Led account growth and retention initiatives across multi-location clients
- Delivered 300%+ revenue growth through strategic account planning, expansion initiatives, and data-driven market analysis

Sr. Strategic Client Director

Yelp

06/2020 - 03/2023

- Achieved 150%+ quota YoY with 80%+ close rate, with 0% churn
- Doubled book of restaurant business during COVID through storytelling
- Generated consistent net-new business through high-volume outbound prospecting, and pipeline generation across SMB and mid-market accounts
